4. The purpose and intent of this scheme is to provide for the effective regulation and control in all respects of the marketing of the regulated product within the Province, including the prohibiting of such marketing in whole or in part.

5. The scheme shall apply to all persons who produce, process, or market the regulated product and to all kinds and grades thereof.

#### *Name and Constitution of the Board.*

6. There shall be a Board named the "British Columbia Tree Fruit Board," consisting of three members, and the said Board shall have authority to administer this scheme.

7. The first members of the Board shall be Walter E. Haskins, George A. Barrât, and Orris W. Hembling, and they shall hold office until their successors are elected.

8. Except as to the first members, the members of the Board shall be elected annually as hereinafter provided.

9. The Board shall keep at its head office a record (to be known as the "Register of Growers") of all growers whose names and addresses have been registered in accordance with orders of the Board. Such record shall be amended from time to time by the addition thereto of the names and addresses of all growers who are entitled to be registered, and by the deletion therefrom of the names and addresses of growers who are not entitled to be registered: Provided, however, that before the name of any grower is removed from the said register the Board shall give him two weeks' notice in writing of the intention so to do, and the name of such grower shall not be removed as aforesaid if he shall within the said period give to the Board sufficient reason for the retention of his name on the said register.

10. A grower shall not be entitled to vote at any election of a delegate or of members of the Board unless he is registered under the scheme or makes and files with the Chairman of the meeting of registered growers or the Returning Officer, as the case may be, a statutory declaration showing that he is qualified to be registered as a grower.

11. The Board shall divide the area to which the scheme relates into districts in such a manner as to ensure that all growers will have representation by delegates and reasonable opportunity of attending meetings to elect such delegates as hereinafter provided.

12. On or before the 15th day of May in each year a meeting of registered growers at some central point in each of such districts shall be held. At least one week's notice by post of such meetings shall be given by the Board to each registered grower. At each of such meetings one delegate shall be elected to attend a convention to nominate members of the Board.

13. At such meetings of registered growers:—

- (a.) The registered growers present shall appoint a chairman and a secretary, and the certificate of such chairman and secretary shall be conclusive evidence of all business transacted at such meetings and of the election of the delegate;
- (b.) Every registered grower shall have one vote and all questions shall be decided by a majority of the votes of such registered growers. In the case of an equality of votes the chairman shall have a second or casting vote;
- (c.) Votes may be given either in person or by proxy, and proxies may be in any usual or common form and shall be lodged with the chairman of the meeting at which it is proposed to vote;
- (d.) A body corporate shall vote only by its duly authorized agent whose authority shall be presented to the meeting at which he proposes to vote;

14. Within twenty-one days of the last of such meetings of growers, the Board shall call the delegates to a nominating convention at which nominations of persons for membership on the Board shall be made. The nominating convention shall be held at Kelowna, B.C. At the nominating convention the delegates present shall appoint a chairman and a secretary, and the certificate of the said chairman and secretary shall be conclusive evidence of all business transacted at the nominating convention and of the nomination and election of members of the Board. At the nominating convention each delegate shall have one vote. Each person nominated shall be a registered grower. In the event of there being more than six persons nominated at the nominating convention, a ballot shall be taken, and the nomi-

nees receiving the highest, the second, third, fourth, fifth, and sixth highest numbers respectively of delegates' votes shall be deemed to be the only persons nominated for election as members of the Board. In the event of a tie the nominees tied shall be voted upon again to determine which of them shall be nominated. In the event of there being only three nominations, the three persons nominated shall be declared elected as members of the Board, and in such event the delegates shall elect the chairman of the Board. The delegates shall nominate a chartered accountant who shall be employed by the Board for the auditing of its books. The delegates shall also fix the remuneration to be paid the chairman and other members of the Board, provided that until they do so the said remuneration shall be the amount fixed by the delegates in accordance with the provisions of the scheme approved on June 29th, 1935, under "The Natural Products Marketing Act" of Canada.

15. In the event of an election being necessary, the Board shall within ten days after the nominating convention cause a ballot to be sent by prepaid post to each registered grower, which ballot shall contain the names of the nominees for membership on the Board. There shall also be mailed with each ballot a notice of the time and place where the ballots will be counted. Such ballot and notice shall be mailed at least fourteen days prior to the date fixed for counting the ballots.

16. Every ballot shall be signed by the grower casting the same or by some person duly authorized in writing in that behalf. In case a ballot is cast under authority, the authority or a notarial copy of the same shall accompany the ballot.

17. Ballots may be delivered or returned by post in a sealed envelope marked "Ballot" and addressed to the Returning Officer at the place named in the notice forwarded under the provisions of clause 15.

18. The failure of any registered grower to receive any notice hereunder or any ballot or other document in connection with the election shall not invalidate the election.

19. Forthwith after the election the Returning Officer shall in the presence of the scrutineers count the ballots, and the three nominees receiving the highest number of votes shall be declared elected as members of the Board. The nominee receiving the highest number of votes shall be Chairman of the Board. In the event of a tie the Returning Officer shall have a casting-vote.

20. The failure of registered growers to elect any delegate or failure on the part of a delegate to attend the nominating convention shall not invalidate the election.

21. In the event of any delay or irregularity occurring in the conduct of any election or of any doubt arising as to the validity of any election, the British Columbia Marketing Board shall have authority to determine who are the members of the British Columbia Tree Fruit Board, and to fix the said members' terms of office, and to extend the time for making nominations, or direct that a special election be held at any time.
